Date: March 25, 2022

To Whom It May Concern:

On behalf of the Alliance of North American Chinese Physicians (ANACP), I am proud to announce that the 7th annual ANACP conference will be held at the Atlanta Evergreen Marriott Conference Resort, Stone Mountain in Atlanta, Georgia, on November 4-6, 2022. I am also excited to hold this annual conference jointly with the Chinese American Neurological Association (CANA) and the Chinese Medical Association of Atlanta (CMAATL).

ANACP is a nonprofit organization with the vision of being the leading Chinese Physician Organization in North America that promotes the wellbeing and professional development of its members.

Since our first conference in Dallas, Texas, in 2016, the ANACP has hosted successful annual conferences. On average, 300 practicing physicians from a variety of specialties and subspecialties across the country attended each conference. Moreover, the ANACP has received significant sponsorship and support from numerous pharmaceutical companies and other organizations, with about 30 booths for their exhibits.

For the upcoming 2022 conference at Atlanta, we are now open for sponsorship registration. We estimate that approximately 400 physicians will attend this conference, including those from internal medicine and its subspecialties, family medicine, pediatrics, neurology, PM&R, anesthesiology, psychiatry, pathology, ophthalmology, dermatology, and others. The CME topics will be broad, and a group of distinguished speakers will give multiple presentations on cardiology, oncology, hematology, neurology, psychiatry, and other subjects to meet the needs of attendees. The 2022 conference will be the largest annual conference of our organization and an excellent opportunity for you to meet our physicians and introduce your breakthrough therapies, pipeline products, and new cutting-edge technologies for a better patient care.

If you are interested in becoming a sponsor and setting up a booth or giving a short presentation at the 2022 conference, please see the sponsorship levels included in the attached form. I am flexible and happy to discuss any of these details. Once you decide to become a sponsor of the 2022 ANACP conference, I will send you a W-9 form and the ANACP account information.

Alliance of North American Chinese Physicians

Thank you so much in advance for your kind consideration and strong support!

I am looking forward to seeing you at the Atlanta conference on November 4–6, 2022.

Sincerely,

Lei Gao MD, PhD, FACC
President of the ANACP
Chair of the 7th Annual ANACP Conference
