Date: Jan 12, 2024

Dear ANACP members, friends, and supporters:

On behalf of the Alliance of North American Chinese Physicians (ANACP), we are proud to announce that the 9th annual ANACP conference will be held at Hyatt Regency McCormick Place, Chicago, IL, on September 6-8th, 2024.

ANACP is a nonprofit organization with the vision of being the leading Chinese Physician Organization in North America that promotes quality of care, community healthcare, the well-being and professional development of its members, and the network among our members and supporters.

The ANACP has successfully hosted 8 annual conferences since 2016. Our objective is to establish a win-win scenario for physicians and the ANACP supporters. We are dedicated to continuously creating a platform where both parties can achieve their goals and reap the benefits of collaboration. The 2024 conference in Chicago will be the largest annual conference of our organization and an excellent opportunity for you to meet our physicians and introduce your breakthrough therapies, pipeline products, and new cutting-edge technologies for better patient care.

We are now open for sponsorship registration online (https://www.anacp.org/sponsors-new/). We estimate that approximately 300 physicians will attend. The majority will be private practitioners or physician group leaders. The CME topics will be broad and focused on aesthetics, general practice, oncology/hematology, pediatrics, and other subjects to meet the needs of attendees. We also plan to provide 3 promotional talk opportunities and about 30 booths for exhibits.

If you are interested in becoming a supporter and setting up a booth or giving a presentation at the 2024 conference, please feel free to reach out to us. We are flexible and happy to discuss any of these details.

Thank you so much in advance for your kind consideration and strong support! We are looking forward to seeing you at the Chicago conference on September 6-8th, 2024.

Sincerely,

Christopher Leo
